Man-O-Man, do I hear this statement being said time & time again .... Where has our summer gone? Now, in all honesty, it is only July going into August, but it sure has been going by quickly. Our KLSC 4th of July celebration day was AMAZING!! The weather was great, our lake was what our lake is in the summer-green!! It was so great to see & hear all of the stories

about our family, friends & neighbors enjoying what our lake area has to offer. A huge thank you to everyone who volunteered & worked to make that day go smoothly with all of the events. I'll ask a favor of everyone, please thank the owners of The Crow's Nest Resort & The Northwoods Steakhouse for graciously donating to help cover the cost for the FIREWORKS display. Your KLSC works closely with our area businesses to support them & in return they help to support the KLSC. THANK YOU!!

## Independence Day Pancake Breakfast

We had record attendance for our July 1st pancake breakfast!! 340 hungry people joined us for a delicious breakfast! Thanks to all our amazing volunteers for their hard work. We couldn't do it without you! If anyone would be willing to volunteer, please let one of our board members know. So much of what we do depends on help from our community. Thanks again and hope to see everyone at our Labor Day breakfast in September!

## Boat Parade Recap

Thank you for all the wonderful people that came out with friends and family to celebrate the 4th of July. We enjoyed all the beautifully decorated boats. I enjoyed watching you all gather at the Hwy 65 landing bay. Congratulations to all of our boat parade winners!

Thank you to Emily for helping by handing out numbers on the jet ski. We couldn't do it without you and Wayne. Wayne has been the lead in our parade for quite a few years. Hats off to your leadership in leading this fun celebration activity for our lake community. Thank you also to Emily and McKenna for picking up balloons and pieces of balloons after the parade. We appreciate your help in cleaning up leftover items in the lake. I hope you all had a fun day and we will look forward to seeing you all at our next event.

The KLSC would like to thank Tim and Dawn Olsen for all of their extra work at the clubhouse!

We have posted information on shallow lakes on our web site at [www.knifelake.us](http://www.knifelake.us).

Also posted are a couple ways to check for blue green algae. Very informative.
