Volume 2023 November

Well folks, unfortunately, our warm weather season is done for this year. We took our last boat ride on Friday 10/21, and most boats & docks were out of the water. It's always bittersweet to see that, but it is the cycle of our seasons. Before you know it, our lake will be dotted with fish houses.

As a monthly reminder, the KLSC Winter Day of Fun is 2/3/24. We are always looking for volunteers to help pull off this huge event. Please contact myself or any board member to help out.

I'd like to wish all of our fellow hunters a safe & plentiful hunting season. Our November monthly meeting 11/18/23 time is changed to 7PM. Also, the KLID November monthly meeting has been canceled.

Chili Feed Recap

Delicious chili was had by all that showed up, although we only had 6 entries of chili. A big congratulations to 1st place Cyndy Swanson, 2nd place Jake Tillotson and 3rd place Teresa Grimm. As always this was a free event and all are welcome. I hope we have more participants and eaters next year.

On Sunday, October 15th, the Knife Lake community lost a beautiful soul. Joan Soebbing (I always called her Joanie) lost her battle to remain on this earth. Joanie's family, the community and the Knife Lake Sportsmen's Club, along with her many friends will miss her deeply.

For as long as I can remember, Joanie had a hand in almost every aspect of the functioning of the Sportsmen's Club. She kept our kitchen organized, made sure the attendants at our monthly meetings had coffee and treats and laid out an impressive array of goodies at our annual meetings and also the Knife Lake Improvement District's annual meetings, all without being asked to do so. That was Joanie - the ultimate hostess always making sure everyone felt welcome.

Joanie was also the editor of the newsletter for a great number of years. From start to finish, she handled the job with ease. I especially enjoyed the time spent with her and her "crew" assembling and preparing the newsletters for mailing. There was a lot involved in the process but Joanie made it seem like a party.

Forgive me if I'm a bit long winded. I felt the need to share just a part of who Joanie Soebbing was to this Club and this community, an unselfish, giving and kind individual.

I will miss my friend.

Sincere sympathy is extended to the family and friends of Joan Soebbing. The KLSC has lost one of its tireless volunteers. Joanie and Bill lived on the west side of the lake and over the years she was always willing to help in so many ways: For years she was the editor of our Lake Lines, She was also Kitchen Chairperson, She worked on two of the lake directories and totally typed and organized the layouts, Joanie worked with pancake

breakfasts, and on and on and on.... Joanie promoted our club in so many ways. She even encouraged several of her neighbors to become club volunteers.

Joanie was a real special lady and she will truly be missed.

Winter Day of Fun 2024

Happy fall everyone! Although summer seems to have flown by, we are all able to enjoy this beautiful and colorful fall. As you may know, the KLSC recently finished up their 2023 summer raffle. It was a success. Thank you for your continued support!

The KLSC board members and volunteers have now begun directing their focus on hosting a FUN and successful 2024 Winter Day of Fun. Our WDOF will be held on February 3, 2024. There will be Bingo at the Northwoods Steakhouse, and we will all be gathering for our annual ice fishing contest on Knife Lake that day as well. If you haven't attended this event, you should certainly consider joining us this year. Whether you're young or old, It's always a wonderful day! There will be lots of prizes given away, including the grand prize, a 2024 All Season Explorer 8X16 Ice Castle fish house. Please mark your calendars for this fun and eventful day!

If you would like to purchase Ice Castle raffle tickets, or help sell them, please reach out to any board member and we will be happy to help you. Also, bear in mind, we will be looking for more volunteers for that event as well. We appreciate your support and help! Hope to see you all there!
