Longer days are here & it's so nice to be sitting outside & waving at our neighbors as we all enjoy the nicer weather. 6/15/24 @ 9am is the annual KLSC General Membership meeting. Each year we hold this meeting to let the general membership know the current status of the club, any By-law changes & financial status. It's also a time for elections. We currently have some open positions that need to be filled. Please let myself or any other board member know if you're interested in serving. It is a volunteer position, most with 2-year terms.

Archery Course

Good day to All my fellow Archers! It's been a little different year with all the rain and bugs, but the course is ready to go. There have been some new targets added and a few shots as bonus shots. Take a walk through and let me know what you think.

As far as membership goes, with the prices of everything going up, membership will remain the same. If you need to renew your membership or become a new member, just visit our website at knifelake.us and follow the menu options. Let me know if you have any questions or suggestions to help make the course more enjoyable for you.

KLSC members will be selling flares door-to-door for the 4th of July "Light Up the Lake". The cost is four flares for \$20 or \$5 per flare. All proceeds go to the fireworks show. Knife Lake Sportsmen's Club is still taking donations towards the fireworks display, which will take place shortly after the flares have been lit.

Knife Lake Boat Parade, Saturday, July 6

Decorate your boat or pontoon. All boats must display an assigned number. Meet at the Highway 65 rest area at 12:30 pm to get your number. The parade will start at 1:00 pm. Only boats completing the entire parade route will be judged.

Unexpected/unwanted results can occur from reckless actions. Please take every precaution to curtail any activities (i.e. water balloons) that may result in harm to persons or property.

"Light Up the Lake" – Saturday, July 6

Light your flares at 9:45 p.m.

They are 30 minute flares, so let's have them all lit at the same time.

Reminder: Only adults should be responsible for handling and lighting the flares.
