Happy July everyone!! Midway through this amazing summer. Our lake has been fairly busy on the non-holiday weekends. I hope everyone had a great 4th of July weekend. It was great to see everyone enjoying what Lake Life has to offer. So many smiling faces enjoying the great weather during the day. At this month's meeting, we had new & returning board members sworn in. Thank you [Jake Tillotson](#) for becoming VP, Terri Moeller for becoming Secretary & David Imholte for becoming a board member!! Welcome aboard!! Your KLSC meets monthly @ 9am on the third Saturday of month. Meetings are always open to the public. Stop by & say HI!!! Maybe do some KLSC clothing shopping too!!!

Join the Board!

The KLSC board is lacking members. At this time, we have one open position. Given this challenge, there will be no Bingo in the fall or at the Winter Day of Fun, UNLESS we have a volunteer to manage these events. You do not need to be a board member to manage the Bingo events. We sincerely want these community events to continue and hope someone will kindly volunteer. Bingo is not the only event that needs a volunteer(s). The board will be seeking other volunteers for upcoming events.

Please thoughtfully consider joining the board. We genuinely want to continue hosting community events in the future.

"Everybody can be great. Because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and your verb agree to serve. You don't have to know the second theory of thermodynamics in physics to serve. You only need a heart full of grace. A soul generated by love." – Martin Luther King, Jr.

Flares & Fireworks July 2024

It was a warm & pleasant day, filled with Pancake Breakfast & Boat parade. As the sun started creeping downward, the never predictable weather turned on us all. The sky clouded over, the rain started to fall & lighting filled the air. For the first time in the history of Knife Lake doing FIREWORKS, it became a question of if the firework display would happen. KLSC was in constant contact with the fireworks company. I was doing my best to keep the public informed on when the fireworks would go off. The storm had quit & it was a go. Unfortunately, that storm came back around, and decisions had to be made & that call was to light them off now. THANK YOU to everyone who came out on the water or watched from shore & the kind words in the days to follow. I cannot express enough gratitude to the Northwoods SteakHouse & all the wonderful businesses & people who donated. **THANK YOU!!!!!!** On to next year & hint hint....the show may get bigger.....

KLID Report

Mark those calendars for AUG 17, 2024 @ 9AM for the ANNUAL KLID meeting. Think about getting involved & joining the KLID board. There are open positions available. As a KLID board member, you have a say in what happens with the water of our lake. WEED discussion always takes up the majority of the monthly meeting-that's only an hour long once a month & at the Annual meeting. This year's meeting will have a focus on the **FUTURE** of nuisance weed spraying. The KLID will inform the public on the ever-rising cost of weed spraying. Please attend this meeting.
