Volume 2024 November

Editor: Terri Moeller (763-614-4690)

Hello October everyone!! Docks & boats are unfortunately becoming scarcer, just as the leaves on the trees. There have been some amazing fall colors again this year around our lake and the surrounding communities. We all know winter is around the corner. It will be interesting to see what kind of winter snow & ice conditions we will have leading up to the KLSC Annual Winter Day of Fun.

Welcome to the KLSC board: Kevin Johnson, Cyndy Swanson & Nick Zielinski. That brings the current KLSC board to 15 members. Now you are probably asking yourself.....why???? I'm proud to announce that the KLSC has made the commitment to take on a full-time gambling license. Local businesses have approached the KLSC asking if we would be interested in this endeavor. As a 501C nonprofit, the KLSC can help our lake and community, giving proceeds directly back here in our immediate area. There is a great deal of behind-the-scenes activity that has been happening to get 100% approval, but we are well on our way. Please feel free to contact me with any questions or concerns.

November's meeting time on 11/16/24 has been changed to 7PM. All meetings are open to the public.

A huge KLSC **THANK YOU** to **Judy Rende**. Judy had been working behind the scenes taking care of putting our Lake Lines newsletter together for, as I was told, a very very long time. I wish Judy & Vern nothing but the best & will miss them both very much. -Ed Hamlin

Come and have fun at the KLSC Ham and Turkey BINGO on Saturday, Nov. 23rd. It will be at the Crow's Nest Resort at 1pm. Just in time to win a ham or turkey for your Thanksgiving dinner.

KLID Report Oct 24

It's a slower time of the year for the KLID, with that, the November's 11/16/24 meeting is canceled. The KLID will be getting ready over the next 2 months to send out informational letters about next year's weed treatment for Curly Leaf Pondweed. More info to come in December & on the KLSC social media & website: www.knifelake.us Ed Hamlin, KLSC President pres@knifelake.us

Volunteer Dinner

Thank you to everyone who came out for our volunteer dinner!! We had a great turnout. It's our way of showing appreciation for all those that make the board members jobs easier. Also, thank you to all the board members that brought dishes to share and to Pres. Ed Hamlin for grilling. No one went away hungry but 7 lucky winners went away richer with \$100 in cash! Congratulations to: Edna Sandberg, Steve Plemel, Pat Johnson, Sam Nedland, Amy Smyser, John Davis and Rachel Johnson. Thanks again for everyone's help and hope to see you all for the WDOF 2025!!

Community Effort to Clean Up Highway Litter

In a spirited initiative, local volunteers gathered to clean up a two mile stretch of highway 65, addressing the growing concern of littering that affects both the environment and community aesthetics. The event organized by the Knife Lake Sportsman's Club, aimed to raise awareness about the impact of litter on wildlife and the surrounding ecosystem. Dodging road kill, armed with gloves, trash bags, and a shared sense of purpose, participants set out to reclaim the beauty of their highway.

For three hours, volunteers collected a wide array of debris, from plastic bottles and food wrappers to larger items like chunks of blown out tires. The half dozen or more bags of rubbish collected highlight the urgent need for continued community engagement in environmental stewardship. As the group worked together, they not only improved the landscape but also fostered a sense of camaraderie, turning a mundane task into a fulfilling social event. The Crow's Nest provided pizza, which was a tasty incentive for volunteers, reinforcing the community's commitment to maintaining a clean environment.

A special thank you to the three hard working and dedicated young ladies, Jamie, Rebecca and Grace whom represent the 4H club, for helping out to make the highway clean up happen. -David Imholte

Mmm, mmm, mmm! If you missed out on this year's chili feed/competition, you missed out. We had a variety of flavors you would have enjoyed. We did have 3 chilis that topped the flavor spectrum and need special recognition. Here are your 3 winners:
1st - Donny Holznagel (All Brisket)
2nd - Cyndy Swanson (Maple Bourbon)
3rd - Brian Berg (Spin-a-chilly)
This is a great event every year that is for the community. See you all next year! -Wayne Whited
